## University Administration

Our comprehensive program gives students the academic and social skills necessary for success at an American university. In addition, we offer an institutional TOEFL exam each session for students who plan to apply to Sacramento State.

## Opportunities for Upper-Level Students

### Elective Classes

Students select electives in topics such as TOEFL preparation, poetry, filmmaking and more.

### University Classes

Students can take Sacramento State classes and receive academic credit. This unique opportunity exposes students to the academic rigor and learning environment of an American university.

### Learning Beyond the Classroom

Our program enriches students' cultural learning and language development beyond the classroom with activities like field trips, volunteer work, social events and a conversation club. In addition, our students challenge their critical thinking, research and presentation skills at university-wide events.

"I wanted a promotion, but the job required English. I improved a lot because of the composition class — I had to think in English and write my thoughts. I'm able to express myself better."

– Peter Szocs, Hungary

# Our University

California State University, Sacramento is the “capital campus” of the CSU system. Our outstanding faculty, excellent laboratories and proximity to the State Capitol draw over 30,000 students to our campus. Nestled in an urban forest alongside the American River, we offer a world-class education in the heart of California.

## Quick Facts
