The Division of Criminal Justice plans an exciting study and travel opportunity for summer 2019 to explore the vibrant, peaceful and culturally enriching nation of Ghana in West Africa. The trip will examine comparative perspectives of law, justice, international human rights, and community justice and response to violence, as well as restorative justice and conflict-resolution processes. This is a life-changing opportunity for students to immerse in a diverse, rich African culture, while receiving at least three units of credit for CRJ 172 or CRJ 250. Drs. Nicole Fox and Ernest Uwazie will lead the trip. Visits will include the Ghanaian capital of Accra and the historic towns of Cape Coast and Kumasi.
