

Summer Academies Scholarship Application

SACRAMENTO STATE
COLLEGE OF CONTINUING EDUCATION

Sacramento State's Summer Academies is offering a scholarship for a series of weeklong academies so high school students can get hands-on, in-depth career exploration.

- Priority deadline is February 28, 2020
- Scholarship applications will be reviewed on a first come, first served basis contingent upon funding and space availability.
- Maximum scholarship award will cover the cost of one academy per recipient.
- Limit one scholarship per student.
- Students who are offered a scholarship are not guaranteed a seat in an academy. Recipients must still register for an academy and registration is dependent upon space availability.
- Scholarship award money is not disbursable to recipients. Funds are directly applied to cover the cost of one academy and any unused funds are reapplied to the Academy Scholarship Fund. Should a scholarship recipient decide not to enroll, the funds will be returned to the Academy Scholarship Fund.
- Scholarship recipients will be notified with a phone call or email.

Required Attachments (do not staple):
Applicants must attach a single-sided 250 word essay describing why you want to come to the Sacramento State Summer Academies. We recommend you list careers you are interested in. Discuss any of the following subjects: what made you choose this career, what you hope to gain by your experience at the Summer Academies and how Summer Academies will assist you in reaching your educational and career goals.
